

Patient Name	: Mr. PURSHOTTAM PATEL	UHID NO.	: 61330
Age/Gender	: 70 Yr 0 Month 0 Day /M	Dept Ref No	: 10109972
Referred By	: Dr.DWIVEDI A K	Bill Date	: 28/06/2014
Receipt No	: 15794	Result Date	: 28/06/2014
Reported By	:		

### KUB SONOGRAPHY

Size - Right kidney - 9.6 x 4.7cms      Left kidney - 9.2 x 4.6cms  
Both kidneys are normal in size, shape & echogenicity with smooth outline. Central pelvicalyceal sinus and cortico medullary ratio are normal on both sides. Both kidneys reveal evidence of small centimeter sized simple cortical cyst.

Both ureters are undilated and not visualized.

I.V.C. & Abdominal aorta are normal in caliber. No evidence of intra abdominal lymphadenopathy is seen.

No evidence of ascites seen.

Urinary bladder is normal in shape and contours. Its wall is normal. Post void residue of about 30-35cc seen.

Prostate is grossly enlarged in size measures about 5.7 x 6.8 x 5.2cms (weight about 105-110 grams) with smooth outlines.

### IMPRESSION :-

- Grossly enlarged prostate (weight about 105-110 grams).
- Post void residue is about 30-35cc.
